___ Total # checked above

NOTE: this INCLUDES a run-time for the developer - the run-time however cannot be sold to anyone else, i.e. it may only be used for your in-house use and/or for your company. For each of your customers you must provide us with a list of your customer names and addresses that you will be including or providing any portion of the run-time updates to - you may use a separate run-time update order form for each customer - for dealers/developers ordering multiple copies simultaneously the following discounts will be provided: 2-3 copies, 10%; 4-6 copies, 15%; 7-10 copies, 20%; 11 or more copies, 25%.

I also need source code for the following which I have previously purchased:

- Point of sale
 - Job cost
 - Bill of materials
 - Addsum utilities
 - Quotes/contacts
- (if you are purchasing an update that includes 2001, source updates for these add-on modules are needed and are available at no additional charge)

Shipping Options

- I will obtain the updates via E-mail or the web - there is no extra charge for this option - this is also the fastest method
- Ship the updates as follows
