Repeat as desired. Note that you can easily navigate to the first, previous, next or last occurrence. Click on the print icon if desired to print the current page.

As always in Advanced Accounting, you can choose to print to a file. Click on the “type” drop down box for your various output options.

After selecting the type, indicate the desired path and name. You can simply enter this directly; or click on the browse button to navigate to the desired folder. Click on OK to save.

The new find tool in Advanced Accounting 7i: a small yet very powerful new tool that will save you time and provide fast answers so that you can manage your business instead of it managing you.
